

## Quadraplex: a new class of pumps...designed for world-class performance

The all-new, revolutionary Quadraplex "Quatro" mud pump is categorically superior to any Triplex pump on the market today. Features like its incredibly smooth discharge, compact construction, and quick-change fluid module puts the "Quatro" in a class of its own and at the forefront of performance and durability. To learn more, visit [www.whitestarpump.com](http://www.whitestarpump.com) or call 281.357.4999.

### Just some of the Quadraplex's advantages...

- Crankshaft : Fully assembled and built to last the pump's lifetime
- Extremely low standpipe vibrations for improved telemetry
- Compact: Fits on standard 84" trailer and unitizable in one container
- 1457 GPM flow rate and 7500 PSI standard pressure
- 45-minute fluid module replacement time
- Available in 800, 1000, 1300, 1600, and 2200 HP models

### Ideco interchangeable Triplex parts and pumps

- Parts in stock and ready to ship
